Mont Albert 900mm Vanity

Freestanding

Care instructions

- All basins/benchtops must be siliconed onto benchtops/cabinets to prevent water damage to unit. Benchtops are heat resistant but not heat proof.
- Hot irons must not have contact with the surface of the basin.
- All vanities must be installed by licensed plumber, with appropriate fixings e.g., with brackets – not provided.
- Materials used for construction of this unit are water resistant and not waterproof. Water and moisture needs to be wiped off from vanity surfaces including top of doors and drawers. If claim made and it is evident that water or moisture has been left this may result in warranty being void. It is advisable to install at a minimum of 300mm from any wet area such as bath, spa or shower.
